January 11, 2007

Dear Parents:

We want to inform you of changes that have been proposed for this school's attendance boundaries for the 2007 – 2008 school year due to the opening of a new school. The new school is being built to give specific relief to nearby schools in order to meet the Florida State mandate of the Class Size Reduction. The new school, State School, U-1/ECC-1, is located at 7940 NW 194 Street. The proposed boundaries for the new school and the affected areas are indicated on the attached map. The students who may be moved from this school to the new school live within the area(s) identified on the map. State School U-1/ECC-1 will house KG - 4<sup>th</sup> grade students in the 2007 – 2008 school year, and 5<sup>th</sup> grade students will be added in 2008 -2009.

To ensure that you, as parents, have all the information you need concerning these proposed recommendations, and to allow you to ask any questions you may have about these proposed changes, we have scheduled a special meeting to discuss this matter with you. This meeting will take place as follows:

Date: January 31, 2007  
Time: 7:00 PM  
Location: Lawton Chiles Middle School  
8190 NW 197 Street  
Room: Auditorium

---

The entire proposed boundary recommendation is posted on our website, <http://joella.dadeschools.net>, and on the school's bulletin board.

If you have any other questions, please contact your school principal at (305) 625-2008.

Sincerely,

Dr. Marcos Moran  
Regional Superintendent

Lizette G. Campa  
Principal
